- **Use**

- The following terms and conditions are accepted by the User by accessing the Website, failure to do so shall not constitute a basis for asserting any claim. The User shall be entitled to use the content and services provided by the Website in accordance with the provisions of these Terms of Use. The visitor of the Website (hereinafter referred to as: User) accepts and agrees to be bound by the Website Terms of Use specified below by accessing and using the Website.
- If the User misuses or abuses the content and /or services provided by the Website in breach of the provisions of these Terms of Use, the Service Provider shall be entitled to terminate the access of the User thereto, and to take any further legal actions required to receive compensation for any damage caused by the User to the Service Provider or any third parties related to the Service Provider.
- The Service Provider shall be entitled to change or modify the content of or withdraw access to the Website at any time, therefore the User is encouraged to consult the prevailing Website Terms of Use upon each visit.
- Certain documents on the Website may be subject to additional terms and conditions, which are specified in the relevant document.
- The Service Provider shall be entitled to change, withdraw or terminate access to the Website at any time at its sole discretion.

- **Privacy**

- Please refer to our Privacy Policy for information on how we process data and information shared by Users when using the Website.

- **IT security**

- The Service Provider shall take appropriate technical and security measures to ensure the protection and secure storage of the User's personal data, to protect the User's access to and use of the services, and to protect them from unauthorised access, use,

alteration or erasure.

- Special attention is paid to ensure the security of transfer of personal and business data. However, please be advised that the Internet is an open, non-secure network primarily aimed at data exchange, its providers are unable to guarantee the safety of the network due to reasons beyond their control.

- **Intellectual property**

- The design and content of the Website together, even in the absence of any other indication, constitute the intellectual property of the Service Provider and are protected by copyright. Any use of the design, content, services, or any other use whatsoever without the written permission of the Service Provider or the third parties involved in the services is prohibited, in particular for the purposes of registration in databases, reproduction, any form of advertising and transfer to third parties, in any case, in whole or in part, or in a re-worked form.
- The content and design of the Website, or any part thereof, may be solely used with the prior, express and written consent of the holder of the intellectual property rights.
- Access granted to the Website, or any element of its content, shall not be construed as granting any right or license to use any intellectual property displayed on the Website, directly or indirectly, or in any other manner, without the express written consent of the Service Provider or the rightholder third party, unless expressly provided for to the contrary. The Service Provider grants the User no express or implied rights whatsoever in respect of the intellectual property of the Service Provider or any third parties published on the Website.
- Furthermore, it is prohibited to disclose, broadcast or transmit the intellectual property displayed on the Website in any media, whether in original or modified form, or to store it in whole or in part on a computer.
- Images, photos and illustrations displayed on the Website are either owned or used by the Service Provider based on license. Unauthorized use of any image may violate copyright laws, trademarks, rights of the personality, commercial advertising laws, communications rules and laws. Unauthorised use may give rise to criminal or civil law procedures. The Service Provider may request the discontinuation of the breach and compensation for any and all damage incurred.

- **Disclaimer of the Service Provider**

- The Service Provider shall not be liable for any damage arising out of the temporary inaccessibility of the Website, other errors, typos or the temporary unavailability of the Website, or any damage caused by the use or transmission of information displayed on the Website, and any damage caused by accessing the Website.
- Furthermore, the Service Provider shall assume no liability for any damage arising out of the unauthorised use of the User's data, whether based on intentional or negligent conduct with or without the User's consent.
- The Service Provider shall always indicate, if it displays content on the Website that is provided by a third party service provider by stating the name of the service provider and/or providing a link to the service provider's website/external access point of such content. The Service Provider shall assume no liability for third party content, accuracy, any errors in the

links thereof or changes thereto. The Service Provider shall erase or amend the relevant third party link upon the request of an authorised service provider.

- Even though the Service Provider intends to disclose accurate and up-to-date information on the Website, it shall not be liable for any inaccuracy thereof. The Service Provider displays the Website and its content “as is” and shall assume no express or implied liability regarding the accessibility, accuracy, reliability or content of the Website and any other pages linked thereto.
- The Service Provider shall assume no liability for the smooth and uninterrupted operation of the Website, for the fact that errors are rectified, the Website and the server that hosts the pages is clear and free of any viruses and malware and the Website will be compatible with any and all hardware and software components used by the User. Applicable provisions of law may not permit the exclusion of certain guarantees, therefore the aforementioned exclusions may not apply to you.

- **Responsibility of Users**

- The User declares that it is aware of the technical limitations of the Internet and accepts the potential errors and risks associated with this technology.
- The User acknowledges that it shall be liable for any damage related to the unauthorised acquisition, use or disclosure of personal or business data caused to the Service Provider or any third party upon providing personal or business data during the use of the Website.

Effective as of: 2024

Clause:

The Service Provider shall be entitled to amend these Terms of Use any time by upgrading/amending such terms and conditions.
